Pizza Across America

Calabria Brickoven Pizzeria Joins America's Biggest Pizza Delivery on National Pizza Day

02/09 2024, Mount Juliet Tennessee, – In celebration of National Pizza Day, local pizzeria Calabria Brickoven Pizzeria will join pizzerias across the country to feed the hungry through the Pizza Across America campaign on February 9.

This event is the largest pizza delivery in America, with hundreds of pizzerias participating in all 50 states, and all pizzas will be delivered to shelters and soup kitchens. The campaign is coordinated by [Slice Out Hunger](#), a nationwide nonprofit that fights food insecurity through pizza-themed campaigns and events. This year will be Calabria Brickoven Pizzeria's 5th time participating in Pizza Across America. Calabria Brickoven Pizzeria will be donating 40 large pizzas to Compassionate Hands at 214 N College St, Lebanon, on February 9 2024 at 6:30pm. Pizza Across America co-founder Carmine Testa believes this program is an important way for pizzerias, who depend on local customers, to give back and support their communities. "In my eyes, the best way to celebrate National Pizza Day is by helping others and giving back to our local communities," Testa said. "We are thrilled to have Calabria Brickoven Pizzeria participating in our largest pizza delivery yet, and we couldn't do it with their support!"

First developed by World Pizza Champions member Carmine Testa with his sons Michael and Nicky, known nationally as the Jersey Pizza Boys, and the nonprofit Slice Out Hunger, the campaign kicked off in 2018. This is the program's fifth year. To find out more about Pizza Across America, please visit www.sliceouthunger.org/paa.
